CONSENT AND CONDITIONS OF TREATMENT

CONSENT FOR TREATMENT. I voluntarily consent to care and treatment by Unity Health Center, PLLC and its affiliated physicians, practitioners, and staff, including but not limited to outpatient medical, surgical, nursing, and therapeutic care; diagnostic, laboratory, and radiological tests and procedures; administration of pharmaceuticals or anesthesia; and such other care as deemed reasonably necessary or advisable by the attending physician, practitioner or staff member. If Unity Health Center, PLLC personnel suffer a needle stick or are exposed to blood or body fluids, I consent to the testing of Patient for any blood-borne disease for the protection of Unity Health Center, PLLC personnel.

CONDITIONS FOR TREATMENT AT PRACTICE. In consideration for the care and treatment that Patient will receive or has received at PRACTICE, I agree to the following:

- Your health insurance policy is a contract between you and your insurance company. In many instances, the provider is not involved. It is your responsibility to know the specifics of your insurance coverage and benefits.
- We have made prior arrangements with some health care plans to accept benefit assignment. Please call your insurance company prior to your appointment to determine if we are participants in your specific plan. We will submit claims to those plans for which we have a contractual agreement and will require you to pay your authorized co-payment and/or co-insurance and deductible at the time of service. We may collect payment of co-payments and deductibles upon checking in. We accept Checks, VISA, MasterCard, American Express or Cash. It is your responsibility to be prepared to make your co-payment at the time of service. If you are not able to make your co-payment, you may be asked to reschedule your appointment to a time when you are able to do so.
- If you have a health care plan that we do not have a contracting agreement with, we will submit the claim for you on an unassigned basis. In this instance, our charges for your care and treatment for your initial visit may be due at the time of service. As non-contracted providers your insurance company may calculate their reimbursement rates in a manner that may not fully cover your charges. It is important that you understand your health insurance policy and the coverage it provides as you will be financially responsible for any balance on your account, including any non-covered charges.
- Please bring a current copy of your insurance card, photo ID and current referral if required by your insurance to all of your appointments. If proof of insurance is not provided, your account will be set up as "self-pay" and payment will be expected in full at time of service.
- Please advise us of any change in address, phone number, or insurance that may occur.
- Lab/Test results – Depending on the test, and the results received your provider may call you to discuss them or you may be requested to make a follow up appointment. You will be required to be seen at least annually in order to maintain any and all prescriptions.

For the following items, please indicate that you understand by **initialing each line and signing and dating the box below:**

_____ Although your provider may have an ownership interest in laboratory services offered at this facility you have the right to have your lab work drawn at another facility if you so desire. Please let us know if you wish to have laboratory orders sent elsewhere.

_____ Not all health plans are the same nor do they all cover the same services and supplies. In the event that your health plan determines a service to be a "non-covered service", you will be responsible for the complete charge for that particular service. Payment is due upon receipt of a statement from our billing office. If you need to make arrangements for a payment plan, please contact our billing office at 208.895.6729.

_____ Effective May 1, 2016 accounts with patient balances older than 90 days may be subject to a monthly interest charge of 1.5% (18% annually).

_____ There will be a \$35.00 charge for insufficient fund checks issued for returned items and if your account is turned over to an outside collection agency there will be a \$35.00 agency fee charged.

_____ **We require at least 48 business hours to review and respond to all prescription requests. You will be required to be seen by provider at least annually in order to maintain any and all prescriptions.**

PAYMENT POLICY

Unity Health Center PLLC is committed to providing you with quality and affordable health care.

Because some of our patients have had questions regarding patient and insurance responsibility for services rendered, we have been advised to develop this payment policy. Please read it, ask us any questions you may have, and sign in the space provided. A copy will be provided to you upon request.

1. **Insurance.** We participate in most insurance plans, including Medicare. If you are not insured by a plan we do business with, payment in full is expected at each visit. If you are insured by a plan we do business with but don't have an up-to-date insurance card, payment in full for each visit is required until we can verify your coverage. Knowing your insurance benefits is your responsibility. Please contact your insurance company with any questions you may have regarding your coverage.
2. **Co-payments and deductibles.** All co-payments and deductibles must be paid at the time of service. This arrangement is part of your contract with your insurance company. Failure on our part to collect co-payments and deductibles from patients can be considered fraud. Please help us in upholding the law by paying your co-payment at each visit.
3. **Non-covered services.** Please be aware that some – and perhaps all – of the services you receive may be no covered or not considered reasonable or necessary by Medicare or other insurers. You must pay for these services in full at the time of visit.
4. **Proof of insurance.** All patients must complete our patient information form before seeing the doctor. We must obtain a copy of your driver's license and current valid insurance to provide proof of insurance. If you fail to provide us with the correct insurance information in a timely manner, you may be responsible for the balance of a claim.
5. **Claims submission.** We will submit your claims and assist you in any way we reasonably can to help get your claims paid. Your insurance company may need you to supply certain information directly. It is your responsibility to comply with their request. Please be aware that the balance of your claim is your responsibility whether or not your insurance company pays your claim. Your insurance benefit is a contract between you and your insurance company; we are not party to that contract.
6. **Coverage changes.** If your insurance changes, please notify us before your next visit so we can make the appropriate changes to help you receive your maximum benefits. If your insurance company does not pay your claim in 45 days, the balance will automatically be billed to you.
7. **Nonpayment.** If your account is over 90 days past due, you will receive a letter stating that you have 10 days to pay your account in full. Partial payments will not be accepted unless otherwise negotiated. Please be aware that if a balance remains unpaid, we may refer your account to a collection agency and you and your immediate family members may be discharged from this practice. If this is to occur, you will be notified by regular and certified mail that you have 30 days to find alternative medical care. During that 30-day period, our physician will only be able to treat you on an emergency basis.

Our practice is committed to providing the best treatment to our patients. Our prices are representative of the usual and customary charges for our area.

Thank you for understanding our payment policy. Please let us know if you have any questions or concerns

I have read and understand the payment policy and agree to abide by its guidelines:
